DECISION AWARDING DAMAGES¹

On December 4, 2020, Maya Federman filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered left shoulder injuries related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccine received on September 18, 2019. Petition at 1. Petitioner further alleges that she received the vaccine in the United States, her SIRVA persisted for more than six months, and neither Petitioner nor any other party has ever filed an action, or received compensation in the form of an award or settlement, for Petitioner’s vaccine-related injury. Petition at ¶¶ 2, 10-12. The case was assigned to the Special Processing Unit of the Office of Special Masters.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

On March 17, 2022, a ruling on entitlement was issued, finding Petitioner entitled to compensation for SIRVA. On July 28, 2022, Respondent filed a proffer on award of compensation ("Proffer") indicating Petitioner should be awarded \$45,251.96. Proffer at 2. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$45,251.96 (comprised of \$45,000.00 in pain and suffering and \$251.96 in past unreimbursable expenses) in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

On December 4, 2020, Maya Federman (“petitioner”) filed a petition (ECF No. 1) for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act”), alleging that she suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”), as defined in the Vaccine Injury Table, following administration of an influenza vaccine that she received on September 18, 2019. ECF No. 1 at 1. On March 15, 2022, the Secretary of Health and Human Services (“respondent”) filed a Rule 4(c) report (ECF No. 21) indicating that this case is appropriate for compensation under the terms of the Vaccine Act for a SIRVA Table injury, and on March 17, 2022, the Chief Special Master issued a Ruling on Entitlement (ECF No. 23) finding that petitioner was entitled to compensation.

A. Pain and Suffering

See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment as described below and requests that the Chief Special Master's decision and the Court's judgment award the following:¹ a lump sum payment of \$45,251.96, in the form of a check payable to petitioner.
